

REPUBLICAN COUNTY CANDIDATES

Samuel G. Zimmerman
County Clerk
Candidate for Re-election

As county clerk, Sam Zimmerman is the right man in the right place. The position requires an accountant, as the county clerk must correctly figure the tax on every piece and parcel of the eighty million dollars of taxable property in the county, and must properly apportion the amount to the different funds of each of the 125 taxing districts (comprising cities, townships, school districts, drainage districts, etc.) in proportion to the levy authorized for each.

He has been a resident of Shawnee county 33 years—Second ward 21 years, Sixth ward 10 years and Fifth ward two years. He was employed in the general offices of the Santa Fe and Rock Island eleven years. He knows the work of the office from the ground up and deserves re-election on his past record.

Sheriff J. D. Norton
Republican Candidate for
Sheriff Shawnee County

After one year's trial, Sheriff Norton has demonstrated to the people that when he takes the oath of office as sheriff of Shawnee county, he will faithfully and conscientiously perform the duties of that office.

His actual experience as sheriff and three years as under sheriff thoroughly qualify him for the office and by all rules of fair play, Colonel Norton should have the staunch, solid support of every Republican in Shawnee county.

He has and will fearlessly enforce the laws as he finds them on the statute books.

Robert F. Tasker
Candidate for Register of
Deeds of Shawnee County

It requires a careful, painstaking man with clerical training and experience to be register of deeds of Shawnee county. Bob Tasker has had eight years actual experience in clerical work, one year of which he examined land records for the federal government. As Uncle Sam employs only competent men, the voters may be dead sure that Tasker will make a careful and accurate register of deeds.

Tasker has made himself from the ground up; he is capable; he can be trusted; he is just the kind of a young man the people take pleasure in supporting.

He served his country well in time of war, he will serve his county well in time of peace.

O. F. Winner
Republican Candidate for
County Commissioner
First District

One member of the board of county commissioners should be a farmer, because one-third of Shawnee county's population lives in the country.

O. F. Winner, the Republican nominee in the First district (north of the river), is a progressive, up-to-date farmer with a practical knowledge of the needs of the country districts.

He has made a success of his own business and if elected commissioner in the First district, will use the same business judgment in looking after the interests of the county.

E. E. Olinger
Republican Candidate for
Representative from Thirty-
Third District

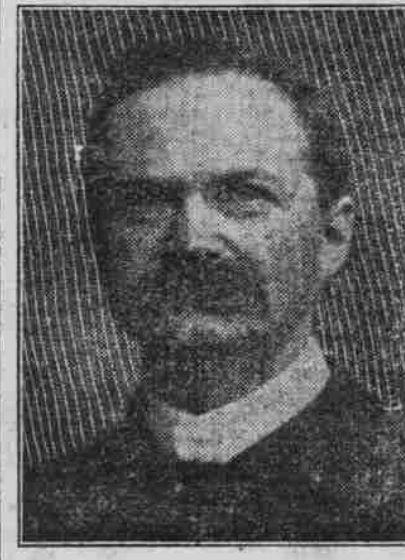

A practical business man, who knows how to meet and mingle with men, will make a representative who will be able to accomplish results in shaping legislation which will benefit his district.

E. E. Olinger traveled over Kansas, Nebraska and Oklahoma for ten years adjusting insurance losses.

This experience gave him knowledge of how to meet and handle men.

For several years he has been a resident and a booster of North Topeka and Shawnee county and knows the needs of his district. He can be depended upon to take care of the interest of his constituents.

A. A. Graham
Republican Candidate for
Representative in the Thirty-
Fourth District

The people of the Second, Third and Fourth wards of Topeka surely want a man to represent them in the next legislature who is absolutely fair and square. A man who knows law and how to make laws.

A man who can be depended upon, one who stands flatfooted for progressive and sane principles.

A. A. Graham's reputation squares up with all of these requisites—a reputation built upon twenty-two years' residence in Topeka and twenty years' practice of the law.

In his law practice he has always been faithful to his clients, has always stood for justice and has never engaged in low, petty, disreputable litigation.

He will represent his district with credit.

J. A. Campbell
Candidate for
County Surveyor

Jack Campbell is a thoroughly trained civil engineer with technical training and five years actual experience in railroad, public and private surveying and engineering work.

He has made good in every position held and will make good as county surveyor.

Dr. H. H. Keith
Republican Candidate for
Coroner of Shawnee County

Standing squarely on his record as coroner of Shawnee county made during three terms of efficient service, Dr. H. H. Keith is asking for the fourth term.

This must surely mean that he has given entire satisfaction in the administration of his office.

If the voters want a man who is on the job every minute of the time, competent and economical, they will make the X after his name.

John F. Eby
Republican Candidate for
Superintendent of Public Instruction
for Shawnee County

After years of actual experience as teacher and two years as county superintendent of public schools, John F. Eby is in closer sympathy with the common schools and knows their needs better than any man in the county.

Judge W. F. Schoch
Republican Candidate for
Probate Judge of
Shawnee County

Efficiency, integrity, faithfulness to trusts imposed and devotion to duty have brought to Judge William F. Schoch one of the highest recommendations which an official may receive, a unanimous re-nomination for the office which he occupies.

It is generally conceded that but few former probate judges have equaled him and none have surpassed him in the management of the affairs of this office. His systematic expediting of business, the kind courteous treatment of the public by his efficient assistants, has been a matter of much public comment and approval. He is deserving of a second term and should be endorsed by receiving a large majority at the election.

Judge E. R. Simon
Republican Candidate for
County Attorney of Shawnee
County

Judge E. R. Simon has the training and the experience to thoroughly qualify him to fill the important office of county attorney.

Judge Simon will attend strictly and carefully to the interests of his client, Shawnee county, and his record as judge of the court of Topeka is evidence that he will shirk no responsibility.

The confidence of the people in his integrity and ability is indicated by the 5,326 votes which he received at the August primary.

Matt Weightman
Republican Candidate for
County Treasurer

Energy and careful attention to his business has made Matt Weightman one of the successful business men of Shawnee county, where he has lived for 37 years. He is a man who can be trusted with other people's money. His business associates in the State Pharmaceutical association have made him the custodian of their funds. If elected county treasurer the funds of Shawnee county will be in safe hands.

S. H. Haynes
Republican Candidate for
County Assessor of Shawnee
County

When the county commissioners wanted a man to fill the newly created office of county assessor, they chose S. H. Haynes because of his special qualification for that position.

He is now finishing his first term under that appointment.

He has discharged the duties of his office with fairness and equity and every taxpayer has received a square deal from Sam Haynes.

He knows the work from the ground up.

He asks for a second term upon the excellent record he has made. The welfare of the people demand his retention in office.

Richard L. Thomas
Republican Candidate for
Clerk of District Court of
Shawnee County

Dick Thomas is a candidate for a third term as clerk of the district court, without Democratic opposition.

This compliment which rarely comes to a man in public life demonstrates his high efficiency as a public servant.

Not only is Dick Thomas capable and competent, but at all times he is courteous and obliging. Dick is just the kind of a man with whom everyone likes to transact business.

He deservedly has no active opposition.

Robert Stone
Republican Candidate for
Representative from the
Thirty-Fifth District

Six years as representative for his district surely proves Robert Stone's ability to attend to the interests of his constituents. He has not only accomplished much for the immediate district, which he has represented, but he has worked and fought for legislation which has benefited every person in the state.

He has been identified with the progressive Republicans since entering the political field and will if returned to the legislature, affiliate with the same men.

"Bob" Stone has lived all his life in Topeka, received his education here and has laid the foundation for his career among the people who know his every day life like a book.

He will represent the district which sends him to the legislature with careful devotion to its interests.

In presenting you the Republican Nominees, we ask that you carefully consider their fitness for the office to which they aspire. They are the regular party nominees selected by the Republicans of Shawnee county. If they are competent to fill these offices, they merit and should receive the support of every Republican.

The Shawnee County Republican Central Committee.
